Section 5. Cost Proposal

Price sheets detailing the range of loaded hourly rates for personnel who may work on this contract are included in Table 7. Hourly rates for personnel at all three cooperating firms in the Watershed Consulting team are listed in Table 7, because the Contractor Price List sheet is more applicable for summarizing personnel costs than the Subcontractor Price List sheet provided with RFP SPB05-894P. Other costs and pass-through fees are listed below the table.
